Dear Sir:

Receipt is acknowledged of your letter of the 11th instant, in answer to the letter of the division, dated the 7th instant, bearing this file number.

The transcript of the petition of Mr. Strasrypke is herewith enclosed for the purpose of making it a duplicate, in all respects, of the record as it appears in your bound volume. To do this it will be necessary for you to have the said Strasrypke appear in your office with the two persons who acted as witnesses to his petition and have them each personally sign their names as they should have done at the time the original petition was executed. As to the date of filing the declaration of intention with the petition, which you state is left blank on the record, you should fill this in and state the date you actually completed the petition in this particular as the date of filing the declaration and certify to its filing over your own signature.

Please attend to this at once and return the enclosed transcript to this office by registered mail.

Very truly yours,

Raymond F. Crist
