BGA The Brazos Genealogical Advertiser
Volume 1, No. 2 August-September, 1979 Bryan-College Station, Texas

The primary purpose of the ADVERTISER is the collection and preservation of genealogical and historical documents and information. This issue is indebted to Ray LEIGHMAN, Scoutmaster for Troop 102, BSA, and the young men of his troop, who have contributed the following article and given promise of more excellent work to be done in this area.

CONCORD

The Community, the Church, and the Cemetery
Brazos County, 1850's - 1900

Concord was an active farming community in northern Brazos County for about fifty years -- beginning in the late 1850's, losing identity shortly after the turn of the century.

The focal point of the community was the Concord Church, pastored by Rev. James WILSON, a Presbyterian minister. In addition to its religious function, the church building served as a school and as a community meeting place.

Adjacent to the churchyard was a cemetery. Estimates vary as to the number of graves there -- from as few as 20 to as many as 40. Few permanent markers were erected at the time of burial, making the number and location of graves almost impossible to determine.

Eventually, the cemetery was relocated less than one mile south of its original location. The cemetery at the new site became known, and is still known, as the 'New Church' Cemetery. Over the years, several graves in the Concord Cemetery were moved to the New Church Cemetery -- two, a husband and wife, as recently as 1976.

The Concord Church was torn down, its lumber used in the construction of the old Hare house, south of Edge; the communities of Concord, Liberty, and Payne's Prairie were gradually absorbed into the community of Edge. The Concord Cemetery was neglected, though not completely forgotten.

On July 11, 1979, Scot Harris -- Senior Patrol Leader of Troop 102, College Station -- cleared the cemetery with the help of several members of his troop. Scot recommended, and the troop agreed, that the upkeep of the cemetery should remain the responsibility of the troop.

Several other projects -- including cemetery counts and historical data about the cemeteries and communities -- are currently underway. All of the cemeteries in the upper end of Brazos County will be counted; selected cemeteries in Robertson County will be counted (and cleared, if warranted). Thirty-two Boy Scouts, all in Troop 102, will be involved. The Brazos County Genealogical Association will be informed of all information gathered in the projects.

The discovery and enumeration of the LEFEVRE Family Cemetery was done by Mr. and Mrs. Curtis C. COX and Mr. and Mrs. Ralph D. McCORMICK. (Ralph and Naomi McCORMICK are Vice-Presidents of our Brazos Genealogical Association and devoted genealogists.) Perhaps this article and the preceeding one will inspire others to report small, little known family plots so they may be listed and identified before more deterioration occurs. Special thanks to these couples for the following report.

LEFEVRE FAMILY CEMETERY
Robertson County

A few years ago, Mr. Curtis COX of Bryan, then the Scoutmaster of Troop #735, was hiking with his scouts in a field just southeast of Camp Arrowmoon. To their surprise, they came upon a family burial plot containing at least four graves. In making inquiry, he has found no one who knew of the plot's existance. Mr. Goree ELLISON, who owns the land, was not aware it was there.

One route of access (there must be a better way) to the little cemetery is to follow the eastern fence line of the Goree ELLISON Ranch southeastward from Camp Arrowmoon Headquarters. The fence line crosses Spring Creek, which is difficult to cross --except by wading. Along the fence line and up a hill, about two hundred yards beyond the creek, is a grove of cedar and oak trees which shade the graves.

There are two erect iron ore field stones which bear no inscription except that one of them appears to have a letter A carved in its face. There is another rock, not of the iron ore variety, which may or may not have been intended for a marker. In addition to the three field stones are two tablet-like slabs bearing the following very legible inscriptions:

HARVY SON
OF
C. A. & M. J. LAFEVRE
BORN MAR. 19, 1868
DIED JULY 30, 1871
OUR BOY

AMANDA DAU.
OF
C. A. & M. J. LAFEVRE
BORN NOV. 19, 1874
DIED OCT. 20, 1876
OUR DARLING BABY

Possibly some of our readers may have a genealogical interest in this remote and secluded burial plot which has become almost lost. We have heard that the LEFEVREs and descendants may have continued to reside in Robertson County.

Any person wishing to visit the plot should contact Mr. Goree ELLISON. Perhaps he can direct them through a far less grueling obstacle course than that traveled by the enumerators.

Submitted by:
Mr. & Mrs. Curtis C. COX
Mr. & Mrs. Ralph D. McCORMICK

V No. 78

MEMORIAL

PETITIONER

Navasota County

SUBJECT MATTER:

Ask for the establishment of Post Offices throughout Navasota County Republic of Texas.

Dated Nov 25, 1841

File Box No. 70

Letter No. 2

A couple of years ago, Euline BENBOW and M. L. JAMISON were researching some early records of this area. The very interesting document presented here was found at the Texas Archives.

They have offered to share it for publication and we felt our readers would enjoy seeing 'the real thing'. The body of the application is also transcribed on page 29, although you may spot some errors as it is difficult to read--and the spelling is not always 'correct'!

Thanks to these two for acquiring the document and sharing it with us. Other readers may have some items of general interest to share with us. How about it?

To the Honorable the Senate and House of Representatives of the Republic of Texas in Congress assembled. The petition of the subscribers, citizens of the County of Navasota and Republic of Texas aforesaid, respectfully sheweth that in all the County of Navasota there is not one post office nor through any part of the County is there a mail route! that by reason hereof your petitioners are put to great inconvenience some of them being obliged to travel twenty or twenty five miles to a post office in consequence of which they are frequently kept in ignorance for a long time not only of the most important transactions at the seat of Government and those things which mostvitally concern us as a nation, but of occurrences of that which materially affect their own private interest— Communications from Government Officers have been known to travel (in one instance) to three different post offices in the same adjoining Counties to this before they were received by those to whom they were directed—

Legislative Enactments are frequently in force before our magistrates can know of their passage— But your petitioners conceive it to be superfluous to enumerate inconveniences

To the Honorable the Senate and House of Representatives of the Republic of Texas in Congress assembled. The petition of the subscribers, citizens of the County of Navasoto and Republic of Texas aforesaid, respectfully thewith that in all the County of Navasoto there is not one post office nor through any part of the County is there a mail rout. That by reason hereof your petitioners are put to great inconvenience some of them being obliged to travel twenty or twenty five miles to a post office. In consequence of which they are frequently kept in ignorance for a long time not only of the most important transactions at the seat of Government and those things which most vitally concern us as a nation, but oftentimes of that which materially affects their own private interest. Communications from Government Officers have been known to travel (in one instance) to three different post offices in the three adjoining Counties to this before they were received by those to whom they were directed-

Legislative Enactments are frequently in force before our magistrates can know of their passage- But your petitioners conceive it to be surpluous (sic) to enumerate inconveniences which to many of you must be well known; it is enough to say-- here is a whole County destitute of a single post office-

Your petitioners would therefore pray that a mail rout be established from Franklin through this county to meet the Houston and Washington mails some where in the east side of the Navasoto river and that their post offices established, one in the upper, and one in the lower beat of said county, and one at the county seat,

and as in duty bound your petitioners will ever pray--

Navasoto County November 25th 1841 --

which to many of you needs the useless
knowledge it is enough to say – here is a
whole County destitute of a single post
office –

Your petitioners would therefore pray that
a mail route be established from Franklin
through this county to meet the Houston and
Washington mails some where on the
east side of the Navasota river and that
three post offices established; one in the
upper and one in the lower Beat of said
county and one at the county seat.
And as in duty bound your petitioners will
ever pray. –

Navasota County November 25th 1851 –

The ADVERTISER would be pleased to publish other documents of local and general interest. Preserving and sharing the history and heritage of this area is a major goal.

KNOW WHERE? RESEARCH SOURCES

This section is planned to give you information on sources of genealogical information that may not be generally known. If you have found a good source, send or call the editor and share the information. That clue may be just the one for one of our readers.

The GENERAL LAND OFFICE is an excellent source that most genealogists have used; however, a visit to the office in Austin is a revelation. The Director of Records, David A. REEVES, has compiled this list of sources that you may not have discovered:

I. Grants from the Crown of Spain, 1758-1821.

II. Grants from Mexico. 1821-November 13, 1835.

III. Headrights granted under the laws of the Republic of Texas.

- A. First class were granted to those living in Texas on March 2, 1836.
- B. Second class were granted to those who came to Texas after March 2, 1836, but prior to October 1, 1837.
- C. Third class were granted to those who came to Texas after October 1, 1837, but prior to January 1, 1840.
- D. Fourth class were granted to those who came to Texas after January 1, 1840, but prior to January 1, 1842.

IV. Bounty and Donation land granted for length of service and particular service such as at the Alamo, Goliad, or San Antonio.

V. Colonies (such as Mercer's and Peters') and German Emigration after 1845-46.

VI. Confederate Scrip.

VII. Pre-emption (homestead) after 1845.

VIII. Court of Claims

The TEXAS A & M LIBRARY continues to yield many unexpected sources for genealogists! Eleanor NANCE, one of our members, has recently discovered a source you should know about. In the Documents section on the sixth floor she has found Naval Documents of the American Revolution prepared by the Naval Historian. This is a recent on-going project of the navy and additions are received regularly. It is well indexed and should be consulted if you suspect an ancestor of Revolutionary service and have been unable to find him in army records. The navy was an important arm of the total military effort during that period.

WHAT'S NEW? BRYAN LIBRARY

In the last edition of the ADVERTISER, some new additions to the Bryan Library Genealogical Section were reported by Nan ROSS, Reference Librarian. This edition is pleased to report some additions to the library donated by our Association or by individual members. These gifts are greatly appreciated, and we hope that the practice will continue. Consider a gift to this section when you want to give a memorial or honor an individual.

WHEN? LOCAL EVENTS

The July meeting, as promised in the last issue of the ADVERTISER, was a very interesting one concerning the Journal of Rev. W.S. SOUTH. Presented by Ruth HULL, the grand-daughter of Rev. SOUTH, she gave us some of the incidents in the discovery of the Journal. Miss HULL is planning to publish a book with a copy of the journal and footnotes which will further identify the people Rev. SOUTH referred to in his travels as a Methodist circuit rider. Rev. SOUTH mentioned many of the early settlers of this area, and Miss HULL was able to talk to us about grand- and great-grand parents of some of our members.

****

The August meeting was planned as another field trip. The Waco-McLennan Library has a fine reputation for its genealogical section and those who went said it lived up to that reputation. The group was small, but reported plenty of material and assistance from the librarian, Mrs. Sue KETHLEY. Thanks to Ralph and Naomi McCORMICK for the planning of this trip, and to the library for allowing us to come.

****

PLEASE RE-READ THE NOTICE OF THE SEPTEMBER MEETING ON THE FRONT COVER---AND PLAN TO ATTEND!!!

****

The October meeting--same place and time--Bryan Library, 7:00 pm will have the librarian from the Texas State Library. We have heard that Mrs. E.G. (Sarajayn) JORDAN has a very interesting presentation about the State Library using slides to illustrate. Her program should be of great help in getting the most out of our research trips to Austin. Put this on your calendar now!! October 15, 1979, Bryan Library, 7:00 pm--and bring another friend!!

****

WHEN? EVENTS ELSEWHERE

Several excellent workshops are being offered this fall. Here is a list with some information. If you are interested, call the editor for further details.

Texas State Genealogical Society is sponsoring a work shop on ARCHIVAL RESEARCH TECHNIQUES. Saturday, September 15, 1979, 9:00 am - 4:00 pm, Angelo State University, San Angelo, TX. Fee: $10.00, includes lunch.

(Continued, Page 35)

WHO? WENT WHERE? MEMBERSHIP NEWS

We hear that there are some members who are retiring from one position and looking forward to many new activities--one of which will be genealogy!

Frances REASONOVER, having retired from the Extension Service, will be even more active in heritage organizations and genealogical activities. Lucky us!

Dr. Carl LANDISS, who has been Head of the Department of Health and Physical Education, has promised that with retirement he and his lovely wife, Georgia Belle, are really going to get to work on genealogy! Great!

Congratulations to these members, and best wishes!

****

We have not heard from the activities of other members. If you have been doing some special research, taking a 'genealogy trip', etc., please call and let us know. Also, if you know of such activities by other members, report them!

WHEN? EVENTS ELSEWHERE

(Continued from Page 34)

Texas State Historical Society is sponsoring a seminar on FAMILY AND LOCAL HISTORY RESEARCH conducted by the New England Historic Genealogical Society. Fee: $15.00 9:00 am - 12:15 and 1:15 - 4:00 pm. Topics: Migration patterns, census, military and church records.

Three identical programs:

University of Texas at Arlington, September 22, 1979

Institute of Texan Cultures, San Antonio, September 25, 1979

Rice University, Houston, September 27, 1979

Texas State Genealogical Society, Annual Meeting. Featured Speaker: Noel CURRER-BRIGGS of Essex, England. The theme of the two day meeting will be IMMIGRATION AND METHODOLOGY. October 26-27, 1979, Kahler Green Oaks Inn, Fort Worth, TX.

Austin Texas Stake Branch Genealogical Library will sponsor a workshop. 1000 East Rutherford Lane, Austin, TX Saturday, November 3, 1979, 9:00 am

A Genealogy Class is offered by College Station Community Education. Eight two-hour sessions begin Tuesday, September 24. Fee: $13.50. The class will cover basics: Search, Research, Documentation, Sources and Resources. Call 696-3820 for further information. The teacher, Mary COOPER, claims to be a 'practicing amateur' genealogist.

WHO'S NEW? — NEW MEMBERS

Here is the list of new members (and one or two that were omitted from the first list). Ralph and Naomi McCORMICK have continued the responsibility of getting this list together.

One of the things that we have proposed for our genealogy section of the Bryan Library is a surname card file. This has become a big chore for many conscientious members, and this HOW?? section will give some suggested shortcuts and a sample card to get you started.

The value of this surname card file depends on building a large body of cards for researchers both local and distant. (The Library does get requests for information and referrals.) The 4 x 6 card was selected because it was easier to handle and afforded more space for information--if you want to add it.

The 'important' information is the surname at the top and your name, address and phone number, if you want to give that. Other information may be added, such as: given names, dates and places. These will probably give you more responses--and that is what it is really all about.

Here is a sample card:

COLLIE

Thomas Jehu	1860-1946	LA, TX
John	1818-1900	TN, MS, LA
James	ca1785-	VA, SC, TN, LA

(Adding names of spouse, specific communities, etc. may give you added responses.)

Mrs. Mary Cooper
740 Garden Acres
Bryan, Texas 77801

Why not use return address labels for this?
Sure will save a lot of writing!
Just lick and stick!

Prepare your cards and take them to the desk of the Reference Librarian, Nan ROSS. She will see that they get into the file. Check the file while you are there and see 'who' you might find in there!! You never know!

WHO KNOWS? QUERIES / QUESTIONS

QUERIES are limited to members and subscribers. Please send all queries to: Mary COOPER, Editor, Brazos Genealogical Advertiser, 740 Garden Acres, Bryan, TX 77801.

005 CULPEPPER. Want maiden name of Mary 'Polly' CULPEPPER, born Anson Co. NC Married Benjamin CULPEPPER in Anson Co. NC Moved to Henderson Co. Tenn in 1823, to DeSoto Co. Miss in 1840 and to Bradley Co. Ark in 1850. Died 1872 in Bradley Co. Ark.
Mrs. Ralph D. McCORMICK, 417 W. Brookside Dr. Bryan, TX 77801

006 COBB, HUTCHISON. Who are parents of John Jackson COBB; born 1816 Lincoln Co. NC married 21 Sept 1839, Lincoln Co. NC Wife Elizabeth HUTCHISON born 1815, PA.
Mrs. Allie WHITLEY, 1535 Wolf Run, College Station, TX 77840

007 LONG. Need parents and wife of Henry D. LONG, born VA ca 1797. Living in Tishomingo Co. Miss 1840. Wife's first name may be Margaret.
Mrs. Allie WHITLEY, 1535 Wolf Run, College Station, TX 77840.

008 BOX. When and where did Sallie BOX die? She moved to Hot Spring Co. Ark ca 1847-8. Husband, John BOX died there 1849. 1850 census shows her age 56, born SC. Dtr Margaret M. BOX age 16 Born Tenn. Sallie is not on 1860 census. Margaret married a CLIFT.
Mrs. Mary COOPER, 740 Garden Acres, Bryan, TX 77801

QUESTIONS have not exactly been received in stacks. In fact, they have not even been received in a trickle. The truth is -- no questions -- and few queries! Call or write and see what help is available when you 'advertise'.

KNOW WHO? PEDIGREE CHARTS

On the following pages is one of the pedigree charts which are on file at the Bryan Library. Others will be published in future editions. If you have not placed your charts on file, get them in.

This chart is in a slightly different format. The editor would appreciate your reactions to this method of printing the pedigree charts.
