1983 Officers Elected

The new slate of officers was presented at the November meeting and was elected unanimously. The nominating committee did an excellent job coming up with another fine group to lead the activities of our Association in the coming year. Don SIMONS was chairman of that committee, the other members were Lilyrush HOPPESS and Vicki SIMONS. The new officers who take office on the first of January are:

President . . . . . Stan CLARK
Vice-President . . . . . .Don SIMONS
Secretary . . . . . Mary BELL
Treasurer . . . . . L. A. MADDOX
Librarian . . . . . Nan ROSS

The 1982 Officers under the leadership of H.A.MONCRIEF has had a very good year and the interest, growth and increased participation are due to their excellent work. Mason RITTMAN had interesting and varied programs, Claudia WILLIAMS not only took the minutes, but kept the telephone committee going to notify members of meetings and disperse any other information that was necessary. Stan CLARK's records of membership lists and financial activities were reliable and accurate; and the library has grown in memorial gifts as well as other contributed materials with Judith PEDIGO as Librarian. Thank you to our 1982 Officers and assurance of continued support to the 1983 officers who are beginning an exciting year for genealogy.

When? *Coming Events*

The Third Annual Conference of the National Genealogical Society will be at the Americana Hotel in Fort Worth Texas April 13 - 16, 1983. The Fort Worth Genealogical Society is the host society. Having this national conference this close to home is really very exciting. (1984 conference will be in San Francisco:) Ralph McCORMICK is our local member who will have all the information on this conference. You will be hearing more from him!

The Harris County Genealogical Society is holding its Third Annual Genealogical Seminar and Workshop (one day only) March 19, 1983 (7:30 a.m.-5:30 p.m.) at the Ramada Inn Hobby. Subjects will be Indian Records, Tennessee, Carolinas and the Clayton Library. Registration forms will be available at the January meeting.

BRIGHT LIGHT CEMETERY
Brazos County

Cemetery surveyed by Nina NOBLES and Mary BELL, 17 Oct 1982.

To reach this cemetery from College Station TX, take Highway 30 off Texas Ave. S; go 3.9 miles and turn right; continue on Highway 30 for 1.6 miles, turn in (right side of road) at Bright Light Free Will Baptist Church. The cemetery is at the back of the church.

One hundred and ten markers were found in this cemetery--all information was gone from four of these markers and several marked graves have not yet been occupied. Susanna GRAHAM, who died 22 Nov 1882 seems to have been the first interred here.

$10.00 payable to Brazos Genealogical Association (Couple-$15.00)

This item was so good, I had to share it with you: The Newsletter from The Leon County Genealogical Society in Vol.IV,No.3,Page 30. (Through exchange we have their publications in our Bryan Library.)

It is said the membership of any organization is made up of four bones. There are Wish Bones who spend all their time wishing someone else would do all the work.

Then there are Jaw Bones who do all the talking and very little else.

Third there are the Knuckle Bones who knock everything that anybody else tries to do.

Finally there are the Back Bones who get under the load and do the WORK. SO---WHICH BONE ARE YOU???

What's New? — *Libraries*

Genealogy Books Added to the Bryan Public Library Collection as of 23 November 1982. Nan ROSS, Reference Librarian has added the notes and comments. Read them!

GNL 325 BOLTON. Scotch Irish Pioneers. The beginning of a migration of settlers of Scotch and English descent from the north of Ireland to America. Includes descriptions of conditions in Ireland before the migration, the voyage across the ocean, and the emigrants as they appeared to early observers. Appendices. Indexed.

GNL 325 MILLER. Migration, Emigration, Immigration, Volume II. Covers religious, political, refugee groups, states of the U.S. and foreign countries (if new information has been found). An astounding set of books, these are invaluable to everyone hunting ancestors. Gives LDS call # and/or microfilm number, if applicable.

GNL 328 Compiled Index to Elected and Appointed Officials of the Republic of Texas, 1835-1846. I won this at a drawing at a gnl. seminar the library sent me to (a first!). This compilation was done in an effort to preserve the original records, which are in terrible shape--read the "Introduction"--no photocopies will be made of the original entries but the Archives staff will transcribe pertinant information. Be certain to carefully read pages i-xiii!

362.734 ASKIN Search: A Handbook for Adoptees and Birthparents. Although not in the genealogy collection, this is the best book I have read on genealogy for adoptees and/or birthparents. If you have an adoption in your genealogy this is the book to use--it goes not only into methodology but also psychology.

GNL 929.1 STEVENSON. Search and Research. Analyzing research problems, sources, correspondence, official records, states of the U.S., foreign countries, heraldry, historical geography and much more. A classic! Indexed.

GNL 943.6 SENEKOVIC. Handy Guide to Austrian Genealogical Records. Includes important historical events, Austria-Hungary, modern Austria, societies and registers and special areas. Read the introduction.

GNL 943.8 A Genealogical Guide and Atlas of Silesia. Great information once you figure out how to use it! For sanity's sake, read the Introduction!

GNL 974.8 McCAY. Sources for Genealogical Searching in Indiana. Gives: historical background, people, census, vital records, land records, court records, church records,

genealogy magazines, military records, libraries and historical societies, maps and atlases, guides and reference books, heraldry, first families, and historical and biographical sources.

GNL 974.8 McCAY Sources for Genealogical Searching in Pennsylvania Same as the book on Indiana. An invaluable set of resources.

GNL 975.2 McCAY. Sources for Genealogical Searching in Maryland. Same as the book on Indiana.

GNL 975.6 McCAY. Sources for Genealogical Searching in North Carolina. Same as the book on Indiana.

GNL 975.6 Guide to Research Materials in the North Carolina State Archives. Section B: County Records. A listing of all the county records held by the state, hard copy and microfilm, as of January 1979. Nice!

GNL 976.4 Cemetery Records, Angelina County, Texas. Cumulated from cemetery inventories, and obituaries and funeral home records. Indexed.

GNL 976.4 Honorable Mention: Early Families of Hunt County, Texas Volume 1. A collection of family, church and community information from many sources. Indexed.

GNL 976.4 Marriage Records of Smith County, Texas 1846-1899. Cover title reads: Smith County Texas Marriages. Commissioner's Court Minutes 24 May 1851, history of Tyler and Smith County. The marriage record listed by groom's name and a bride's index.

GNL 976.4 TROXEL. Early Records of Montague County Texas, 1858-1879. Montague County 1858 tax list, 1860 census, 1860 mortality schedule, 1870 census, 1870 mortality schedule, marriage book A. Clay County 1860 census. Indexed by last name.

GNL 976.9 McCAY. Sources for Genealogical Searching in Kentucky. Same as the book on Indiana.

GNL 977.1 BELL. Ohio Genealogical Guide. Second Edition. This is the best guide of this type so far. A virtual gold mine of information! Makes me wish I had Ohio ancestors.

GNL 977.1 Ohio Marriages. Extracted from the fifteen volumes of the Old Northwest Genealogical Quarterly published from 1898-1912. Just the Ohio marriages have been extracted from these volumes. Each bride and groom has two entries, one for the groom's surname, the other for the bride's

maiden name. Be sure and read the 'Introduction', the notes are invaluable.

GNL 977.3 Guide to Public Vital Statistics Records in Illinois. A county by county description of records and a legislative history of vital statistics recordation make this invaluable.

GNL 977.3 VOLKEL. How to Research a Family with Illinois Roots. Starts with the basics of doing genealogical research and goes on to specifics for Illinois. Good but not as good as the McCAY books.

GNL 978.1 Index to the 1880 Mortality Schedule of Kansas. All of those who died in Kansas between 1 June 1879 and 31 May 1880, and who were listed in the special mortality schedule. Alphabetically arranged.

BRYAN CITY CEMETERY RECORDS

As promised, here is the first half of Book 2 of the Bryan City Cemetery Records. The Bryan Library has made these old records available to the Association as a part of our search for all the Cemetery records and listings that we can find for Brazos County. Please remember that these records are probably for the person buying the lot rather than a record of the individual who is buried there. The listing of the City Cemetery will give us that information. This list will tell you of people who have lost a member of the family; who is on that date living in Bryan, etc. There is the possibility that this will be the only place this name will appear--maybe there is no stone or marker in the Cemetery, maybe this person is the survivor and moves on--lots of possibilities. We appreciate the opportunity given by the Library to have access to these records.

052 WOOTEN, DEAN

Have very old pictures of Theophilus Parker WOOTEN and wife Donna DEAN WOOTEN who are the brother and sister of my great-grandparents Thomas Timothy WOOTEN and Louisa Frances DEAN WOOTEN. Both couples were born and married in Georgia in the 1850's and came to Mexia and Bryan in the 1860's and '70's. Another brother William Spencer WOOTEN settled in Mexia where he and his family are buried. He had children: Mattie, Jim and Will; with grandchildren Wootie TULLOCK, Donna, Bessie and Albert. Would like to contact descendants of any above. Will exchange info and pictures.
