MUSTER ROLLS of BRAZOS COUNTY

Copies of Muster Rolls of Brazos County dated 1863 and 1864 have been secured from the holdings of the Texas State Archives. Volume V of the Advertiser will have these copied. One caution--the handwriting is sometimes obscure (or obscured for some reason). Errors may be made, particularly with the J, I, T and L. Also remember that these men were probably better fighters than they were spellers!

The first of these rolls has the following in the middle of these large ledger pages:

ROLL
Capt LOVE's Co.,
"A", 18th Brig. T.S.T.
August 5, '63.

72 men

"MUSTER ROLL of Captain G. H. LOVE's Company (A) of Mounted Texas State Troops 18th Militia Brigade Volunteered and Mustered into the Services of the State of Texas and called into the service of the Confederate States Provisional Army, by order of his Excellency F.R. LEUBBUCK (sic) G ? m of Texas from the 5th day of August 1863 (date of this Muster) to serve Six Months, unless sooner discharged."

(Also written in between the above lines of the heading: "Transferred to the Confederate States Provisional Army.")

Headings of the columns are very interesting, but in the interest of space, the columns will be numbered and the headings given below.

1. No. of Each Grade
2. Names Present and Absent. (Privates in alphabetical Order.)

RELIANCE CEMETERY (Brazos County TX) (Continued)

On pp. 63 through 68 is the second half of the listing for this cemetery done by Nina NOBLES and Mary BELL. The first half of this listing is in Volume V Number 2 pp. 28 - 33.

One major project is not yet done--listing the Bryan City Cemetery. We will need a large group for this one. If you can help call Mary Bell or Mary COOPER and we will try to set up a time that will be best for most of us. We are making progress! Keep it up!

These last items underline the fact that we should be proud of our efforts to identify and list the Brazos County Cemeteries before further loss can occur.

BRAZOS COUNTY TEXAS
1870 CENSUS

The Ninth Federal Census was taken in the period just following a very disastrous period of time for the entire nation. Many of our ancestors were making adjustments and may have been making a move. These things make the 1870 census a very valuable one for genealogy research.

The Brazos County 1870 Census was taken by W.B.FOREMAN, Ass't. Marshal. The transcription which will appear in the Advertiser is taken from print outs furnished by Bill PAGE of the Microtext Department at the Texas A&M University Library. Any questions about what is recorded should be answered by checking the microfilm which is available at the University.

Each Federal Census is individual, giving us some information unique to that schedule. Following is a complete description of the information asked for on the schedule. It is listed by column number. The transcription printed in the Advertiser does not print some of the information; further information may be secured by checking the microfilm copy.

GNL 976.4 SWENSON. Refugio County, Texas Marriage Books A-B-C, 1839-1881. Gives: page, room, bride, residence, date license issued and by whom, who performed the ceremony and date filed. Last Name index.

GNL 976.4 TAYLOR. Spanish Archives of the General Land Office of Texas. The background material is as important as the grants listed! Read it! Indexed!

GNL 976.4 TOOLE. Sabine County Marriages. Gives: groom, bride, date, who performed the ceremony. No 'index'--listed both by bride and groom. Awkward.

GNL 976.4 WHITE. 1830 Citizen of Texas. Comprised of AUSTIN's 1st and 2nd registers, DeWITT's colony registers, 1830 census for San Antonio and Nacogdoches, General Land Office Records, and 1867 voters. Indexed.

GNL 976.4 WHITE. First Settlers of Sabine County, Texas. Land Grants. Indexed.

GNL 976.4 Williamson County, Texas Marriage Records, 1848-1888. Gives license #, groom, bride, Book # and date. Separate indexes for bride and groom.

GNL 976.4 WIMBERLY. Montgomery County, Texas Census Records 1850, 1860. Includes mortality schedules 1850-1880. Listings. Indexed, each section separately.

WHAT'S NEW? BRYAN LIBRARY (Continued)

GNL 976.4 WITTY. Hamilton County, Texas Cemetery Records. For each cemetery gives not only location (direction) but also history. Last name index--be careful, some alphabetizing problems here!

GNL 976.8 EDWARDS. Descendants of East Tennessee Pioneers. Many Tennessee families. Well indexed.

GNL 977.2 Index, 1830 Federal Population. Census for Indiana. A very thorough index.

Again, a special thanks to Nan ROSS, Reference Librarian for the Bryan Public Library, for furnishing this list of new books for the Genealogical Section. As usual she has given us some idea of what the books contains and how it is set up. Make your list now of those you want to check on in the next few weeks. There are a lot of good possibilities here, and of course, there are many other good ones already on the shelves. Good searching!

WHAT'S NEW? TAMU LIBRARY

Bill PAGE recently shared this information. The A&M Library is acquiring the Nacogdoches Archives on microfilm. They are also getting the 1890 Texas census--such as it is. The 1890 census is the one that was lost and there are only fragments remaining.

Bill said there was a good possibility that they will get the microfilm copies of the Boston Transcript for 1840 - 1890. Old newspapers hold many possibilities such as obituaries, information about what was happening during a period we may be researching, possible ship lists and other very interesting facts and information.

WHO? MEMBERSHIP NEWS

Mrs. Inez AINSWORTH, Rt. 3, Box 855, Franklin TX 77856 asks that any one researching BUNDICK, SINGLETON, ELLEDGE and ARCHER, please write her for exchange of information.

After Mary's 'Pedigree Party' we should have a number of pedigree charts to publish and we are looking forward to that new material for the Advertiser as well as for the Bryan Library. Some of our members who are unable to attend the party may send us the pedigree chart anyway--like Mary C. FORISTER who has been a good member the last four years and has already renewed for '84. She sent her chart in along with her renewal check. Hope others will follow her example. See her chart on the next page. Thanks, Mary, and best wishes and good hunting for 1984:
