Bryan College Station

The BRAZOS GENEALOGICAL ADVERTISER is an information publication of the Brazos Genealogical Association of Bryan-College Station, Texas.

Meetings are the third Monday of each month from 7:00 to 9:00 in the Bryan Public Library

The ADVERTISER is taking a new turn with this issue. Printing costs and mailing costs have caused a re-evaluation of some of the guidelines. Beginning with this issue, the ADVERTISER will become a quarterly and therefore each issue will be larger. (We will still have more than 120 pages per year.)

The membership list will appear in the Spring issue but surnames will not be listed as the Pedigree Charts will take the place of that listing. Membership is $10.00 for the calendar year. Make check payable to Brazos Genealogical Association. Mail to BGA Treasurer:

BRAZOS COUNTY HISTORY

Up-date on the Family History Section of the Brazos County History: The entries are beginning to come in and all those who are working should try to have them mailed by May. We will need some time to supplement articles where we need to, edit them if necessary, and get them in shape for the printer. Please get your family history together and send it in for inclusion in the new Sesquicentennial History. Remember that the major guideline is that the family was in Brazos County before 1900. We are hoping to receive stories of all these interesting pioneers! Be sure yours is included.

INFORMATION FROM OUR EXCHANGE PUBLICATIONS:

From Heart of Texas Records, Vol. XXVI, No. 4, p.138:

The Library of Congress offers to photocopy and microfilm any of several thousand genealogies no longer under copyright. Write to Chief, Photo-duplication Service, Library of Congress, 10 First St., S.E., Washington, D.C. 20540 and ask for their free pamphlet.

From National Genealogical Society Newsletter, Vo. 10, No. 1, Jan/Feb 1984, p. 3:

NARS ORDERING PROCEDURES CHANGED

Effective 1 April 1984 all requests for copies of military service records or passenger arrival records held by the National Archives must be submitted on NATF Forms 80 and 81, respectively. After that date prior versons of these forms (NATF Forms 26 and 40) will not be accepted for processing and will be returned.

A change in payment policies will also take effect on 1 April. Currently NARS requires that payment accompany requests for copies of military and passenger arrival records. After 1 April payment should not be sent with NATF Forms 80 and 81. NARS will research the request, prepare copies of any records located, and hold the copies for three weeks or until payment is received, whichever is sooner. As soon as records are located and copied, the researcher will receive a bill and instructions for making a remittance.

Researchers should also submit a separate NATF Form 80 for each pension, bounty-land, or compiled military service record desired. Researchers have been able in the past to ask for all of these files for one veteran on one form. The change is designed to facilitate processing by the National Archives.

Copies of NATF Forms 80 and 81 may be obtained after 15 March by writing to Reference Services Branch (NNIR), National Archives and Records Service, Washington, DC 20408

NEW NARS CATALOGS AVAILABLE

The first two of a series of select catalogs of National Archives microfilm publications are now available. They are Immigrant and Passenger Arrival Records and Genealogical and Biographical Research. Included in the latter are records relating to civilian government employees, Southern civilians during the Civil War, District of Columbia residents, and resident aliens, land records, tax records, amnesty and pardon records, and naturalization records.

The catalogs may be purchased for $2 each at the National Archives or by writing to Catalog, Publications Division, National Archives, Washington, DC 20408. Add to the address either Dept. IPA or Dept. G&B to indicate which catalog is being ordered.
