The Bryan City Cemetery Books are valuable resources for researchers working in the 1870's through early 1900's. These books have been microfilmed, but a typed copy seems to be a better tool for research, and the Advertiser Editor has offered to make this copy. As the copy is completed, these books will be placed in the Archives of Texas A&M University.

Copying of the books is progressing slowly. There are entries in more than one handwriting and this makes it difficult to read. The copyist has tried in all cases to record exactly what is in the books--misspellings included. One other word of caution: This is a record of the sale of the lots not a record of who is buried in the lots.

RE: New materials

DATE: March 22, 1984

The Library has just received some new collections which may be of interest to persons doing genealogical research. These collections are:

1880 Soundex (Texas only). This indexes the 1880 Texas census. Microfilm / A / 212.1.

1890 Special Census (Texas only). This lists Union veterans of the Civil War (or their widows). Microfilm / A / 212.2.

1890 Census. Although almost all of the 1890 census burned before it was microfilmed, some fragments survived. This single reel contains the remaining records for the states from Georgia through Texas. Microfilm / A / 212.3.

Copies of Lists of Passengers Arriving at ... Galveston. This reel contains listings in order by date of arrival; it covers the years from 1846 to 1873. No index is available. Microfilm / A / 416.

Oklahoma Territorial Papers, 1889 - 1912. This collection includes a variety of records which are primarily of historical, not genealogical, interest. It does include some newspapers. No index is available. Microfilm / A / 417.

Please contact me if you have any questions. The Microtext Department telephone number is 845-1952.
