The Brazos Genealogical Association was organized by a small group of genealogists on January 23, 1978, in the Bryan Public Library. The majority of the group had been in the Genealogy class sponsored by College Station Community Education and taught by Mary COLLIE-COOPER. (Mary laughingly says she is the 'organizing mother'.) The meeting came from a desire of the group to continue to meet and share ideas, friendship and fellowship. Don Dyal (A&M Special Collections) was the speaker for that first meeting. Mary COOPER served as President the first two years. Succeeding Presidents: Ralph McCORMICK, Dorothy CLARK, H. A. MONCRIEF, Stanley CLARK, Don SIMONS and Mary McCULLOCH. Meetingswere held alternately in Bryan and College Station until the College Station place for meetings was not available.

The Brazos Genealogical Advertiser was begun in June of 1979 as a bi-monthly newsletter and was used as the meeting notice for every other meeting for the first two or three years. At that time its contents had more current information about members, research hints and ideas. By 1984 the Advertiser had become a quarterly and its contents is primarily Brazos County records and information, preparing for the Sesquicentennial Celebration of Texas in 1986.

A GENEALOGIST'S CHRISTMAS EVE

(Don YOUNG found this in the Dallas News last year. It was in Margaret Ann THETFORD's column, 'Family Tree'. She had permission from Gibbs Co. to print it. Gibbs Co. supplies genealogical forms and supplies. Their address is P.O. Box 2345, Toledo, Ohio 43603.)

"Twas the night before Christmas when all through the house
Not a creature was stirring, not even my spouse.
The dining room table with clutter was spread
With pedigree charts and with letters which said,
"Too bad about the data for which you wrote
Sank in a storm on an ill-fated boat."
Stacks of old copies of wills and the such
Were proof that my work had become much too much.
Our children were nestled all snug in their beds
While visions of sugarplums danced in their heads.
And I at my table was ready to drop
From work on my album with photos to crop.
Christmas was here, and of such was my lot
That presents and goodies and toys I'd forgot.
Had I not been so busy with grandparent's wills,
I'd not have forgotten to shop for such thrills.
While others had bought gifts that would bring Christmas cheer,
I'd spent time researching those birthdates and years.
While I was thus musing about my sad plight,
A strange noise on the lawn gave me such a great fright.
Away to the window I flew in a flash,
Tore open the window and yanked up the sash.
When what to my wondering eyes should appear
But an overstuffed sleigh and eight small reindeer.
Up to the housetop the reindeer they flew,
With a sleigh full of toys and old Santa Claus, too.
And then in a twinkle I heard on the roof
The prancing and pawing of thirty-two hoofs.
The TV antenna was no match for their horns,
And took at our roof with hoof-prints adorned.
As I drew in my head and bumped it on the sash,
Down the cold chimney fell Santa--KER-RASH!
"Dear" Santa had come from the roof in a wreck,
And traced soot on the carpet. (I could wring his short neck!)
Spotting my face, good old Santa could see
I had no Christmas spirit, you'd have to agree.

"A Genealogist's Christmas Eve"

He spoke not a word, but went straight to his work
And filled all the stockings. (I felt like a jerk.)
Here was Santa, who'd brought us such gladness and joy,
When I'd been too busy for even one toy.
He spied my research on the table all spread
"A genealogist!" He cried! (My face was all red!)
"Tonight I've met many like you," Santa grinned
As he pulled from his sack a large book he had penned.
I gazed with amazement--the cover it read
GENEALOGY LINES FOR WHICH YOU HAVE PLED.
"I know what it's like as a genealogy bug,"
He said as he gave me a great Santa hug,
"While the elves make the sleighful of toys I now carry,
I do some research in the North Pole Library!
A special treat I am thus able to bring
To genealogy folks who can't find a thing.
Now off you go to your bed for a rest,
I'll clean up the house from this genealogy mess."
As I climbed up the stairs full of gladness and glee,
I looked back at Santa who'd brought much to me.
While settling in bed, I heard Santa's clear whistle
To his team, which then rose like the down of a thistle.
And I heard him exclaim as he flew out of sight,
"Family History is Fun! Merry Christmas! Goodnight!"

(Don't you hope THAT Santa visits your house?!)

(Here is a special announcement that will be of interest to a number of our readers. Paul SCOTT of the Texas Archives at Texas A&M University secured this information and sent it to the Advertiser. We appreciate Paul's effort.)

Everyone who has done research on early Brazos County families knows the importance of Breadus SMITH's Pioneers of Brazos County, Texas, 1800-1850. SMITH published his findings only after scouring State and Federal records and after exhaustive research in the Brazos and Washington County courthouses. His work will not be duplicated in the forseeable future. Since his death, over a decade ago, his book has been unavailable for purchase. We have just learned, however, that his son still has several copies which he is willing to sell for $5.00 each, including postage and insurance. Anyone wishing to avail themselves of this opportunity can order Pioneers of Brazos County, Texas, 1800-1850 by writing to Rev. Rick SMITH, Box 25, Granger TX 75630.

(Paul: Thanks for finding this opportunity for us!)

During the Big Event, when students at Texas A&M University go into the community in great numbers to help with special projects, Allen MONCRIEF went with a group to several of the very small cemeteries in Brazos County. They listed all that they could find, tried to leave it a little cleaner/neater than they found it. Mr. MONCRIEF then went back through the cards and alphabetized, clarified, retyped some, and typed up directions to the cemetery. We are very grateful for this investment of man hours, and the additional attention to detail that The Big Event and Mr. MONCRIEF has given for this project.
